

Brand USA appoints Hills Balfour as its international representation agency for travel marketing and public relations in the United Kingdom & Ireland

London, United Kingdom - June 20, 2017

Brand USA, the destination marketing organisation for the United States, has appointed London-based travel representation and PR consultancy Hills Balfour to act as its agency of record in the United Kingdom (UK) and Ireland. The selection followed an in-depth review process initiated by Brand USA in March 2017.

Hills Balfour will work with Brand USA in the UK and Ireland to continue to position the United States as a premier travel destination in order to increase visitation, spend, and market share for the United States. "The UK and Ireland represent the largest overseas travel market to the United States and we are confident that Hills Balfour's expertise in travel marketing and public relations will help us reach and welcome even more visitors from the UK and Ireland in the years to come," says Christopher L. Thompson, president and CEO of Brand USA. "We look forward to working with Hills Balfour in order to build upon our strong presence and relationships in-market with the travel trade as well as the media in the UK and Ireland to promote travel to the United States to, through, and beyond the gateways."
