

Brand USA and Lufthansa Group host travel agents from Germany, Austria, and Switzerland on annual U.S. MegaFam

Washington, DC - September 26, 2017

Brand USA – the destination-marketing organization for the United States – has again partnered with Lufthansa to arrange its fourth annual large-scale, multi-itinerary U.S. familiarization trip, or MegaFam, for 80 travel agents from Germany, Austria and Switzerland.

The MegaFam, which runs Sept. 27 through Oct. 4 Tuesday, Oct. begins with a pre-trip event at the Lufthansa training and conference center in Seeheim-Jugenheim, Germany, a short distance from Frankfurt Airport. Agents will get a preview of their U.S. destinations at the center. They will have convened in Frankfurt after traveling aboard Austrian Airlines, Lufthansa and Swissair.

After leaving from Frankfurt and arriving in the United States on Thursday, Sept. 28, the agents will travel in groups of 10 along one of eight individual U.S. itineraries, which collectively include 10 states. Lufthansa Group will host additional presentations for each group during the U.S. trips.

“Our MegaFam program – a first for the U.S. travel industry – is one of the most effective ways to promote travel to both urban and rural areas, to destinations and attractions beyond the traditional gateways,” said Christopher L. Thompson, Brand USA’s president and CEO. “And, we know that it’s extremely important for travel agents from Germany, Austria and Switzerland to be familiar with the limitless, diverse range of travel opportunities that exist in the USA.”

“Lufthansa Group greatly values its partnership with Brand USA,” said Jürgen Siebenrock, Lufthansa’s vice-president, sales, for home markets and global key-account management. “By virtue of our 420 weekly flights to U.S. cities, we continue to invest in the appeal of the USA for our European customers.”

In 2016, 2 million German travelers came to the United States, making Germany the sixth-largest source market for inbound, international tourism to the United States. Those visitors spent \$8 billion during their U.S. trips.
