These speakers will join [John Herrington](#), who will deliver the keynote speech, sponsored by The Telegraph. Herrington is the first Native American NASA astronaut and will talk to attendees about his love of America's great outdoors and the rewards of exploration. Herrington will also be featured as one of the inspiring U.S. trailblazers exploring the United States in Brand USA's third film for IMAX® and giant-screen theaters – "Into America's Wild" (working title). Produced by MacGillivray Freeman Films in association with Expedia Group, the film is scheduled to premiere in Washington, DC in Feb. 2020. The film will take international audiences on a journey across the United States, exploring scenic byways, ancient homelands, little known trails and hidden gems that form the natural tapestry of America.

Brand USA Travel Week Europe 2019 will be an immersive celebration of the United States, showcasing the diverse range of travel experiences available throughout the 50 states, five territories, and the District of Columbia. In addition to the enrichment series, this event provides a revolutionary business platform for U.S. suppliers to engage with key buyers from across Europe, who have a strong interest in leveraging opportunities to grow arrivals to the USA. Brand USA Travel Week will act as a vehicle to support growth in the U.S. travel sector and will create more opportunities than ever before to inspire European travelers to visit the USA to, through and beyond gateway cities.

**About Brand USA**

Brand USA is the nation's official destination marketing organization, dedicated to attracting legitimate international inbound travel to strengthen the U.S. economy, increase exports, create quality jobs, and promote community prosperity. By running data-driven campaigns and unifying messaging across industry and government, Brand USA positions the United States as a top global destination while providing current visa and entry information.

[Since 2012](#) Brand USA, in collaboration with travel industry partners, has been responsible for attracting an additional 10.3 million visitors who spent nearly \$35 billion in the United States, generating \$76 billion in economic output, and sustaining nearly 40,000 jobs per year. Without any cost to taxpayers, these efforts have generated \$10 billion in tax receipts and returned \$20 to the U.S. economy for every dollar spent.
